

STATEMENT OF COMPLIANCE

The undersigned PCM Sp. z o.o. EASY GIFTS Sp.k. hereby declares that the below product is in conformity with the following rules, standards and regulations:

Directive: Directive 2004/108/EC of the European Parliament and of the Council of 15 December 2004 for the approximation of the laws of the Member States relating to electromagnetic compatibility and for the repeal of the Directive.

Directive 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast) — short: ROHS Directive.

Indication of the relevant harmonized standards which were applied, or indication of the specifications for which conformity is declared:

Harmonized standards for the EMC Directive: EN 55022:2010+AC:2011 — Information technology equipment - Radio disturbance characteristics - Limits and methods of measurement; EN 55024:2010 — Information technology equipment - Immunity characteristics - Limits and test methods.

Harmonized standards for the RoHS Directive: EN 50581:2012 — Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

Other applied technical specifications (not published in the EU Official Journal):

IEC 62321-1:2013 — Procedures for the determination of certain substances in electrotechnical products - Part 1: Introduction and overview; EN 61000-4-2:2009 — Electromagnetic compatibility (EMC) - Part 4-2: Test and measurement techniques - Testing of immunity to electrostatic discharge; EN 61000-4-3:2006+A1:2008+A2:2010 — Electromagnetic compatibility (EMC) - Part 4-3: Test and measurement techniques - Testing of immunity to radiated, radio-frequency, electromagnetic fields; EN 61000-4-4:2012 — Electromagnetic compatibility (EMC) - Part 4-4: Test and measurement techniques - Testing of immunity to electrical fast transients/bursts; EN 61000-4-5:2006 — Electromagnetic compatibility (EMC) - Part 4-5: Test and measurement techniques - Testing of immunity to surge voltages; EN 61000-4-6:2012 — Electromagnetic compatibility (EMC) - Part 4-6: Test and measurement techniques - Immunity to conducted disturbances, induced by radio-frequency fields; EN 61000-4-8:2010 — Electromagnetic compatibility (EMC) - Part 4-8: Test and measurement techniques - Testing of immunity to power frequency magnetic fields; EN 61000-4-11:2004 — Electromagnetic compatibility (EMC) - Part 4-11: Test and measurement techniques - Tests of immunity to voltage dips, short interruptions and voltage variations.
