

*The Elegant Way to
Back It and Run.*

Truly Functional Elegance

With a glossed finish diamond-cut pattern on the front and a textured finish on the rear, this is a stylish flash drive that you can be proud to take out of your bag. The retractable USB connector is an intelligent design detail that facilitates easy and efficient functionality for daily use.

More Power With USB 3.2 Gen 1

This sleek USB-A on-the-go flash drive is equipped with a USB 3.2 Gen 1 interface, which allows for speedy data transfers. With up to 128GB of storage capacity, you'll have more than enough space to take what you need with you.

USB 3.2 Gen 1 Flash Drive

Blaze B03

16GB | 32GB | 64GB | 128GB
